

REMARKS

The foregoing amendments and the following remarks are submitted in response to the communication dated July 25, 2008. The following remarks and foregoing list of claims amendments are submitted in response to the Communication dated July 25, 2008 with regard to the instant application. In the Communication, the Examiner asserts that the amendment filed June 23, 2008 (mailed June 19, 2008) was non-compliant in the amendments to the claims because each claim was not provided with the proper status identifier and, as such, the individual status of each claim cannot be identified. In accordance with the requirements, Applicants re-submit herewith the "Amendments to the claims" section, providing a complete listing of all the claims, with identifiers selected from: (original), (currently amended), (canceled), (withdrawn), (new), (previously presented), and (not entered). Applicants respectfully submit that the amendments to the claims herewith are compliant and request entry and acceptance of the compliant claim amendments.

Status of the Claims

Claims 5 and 12 are pending in the application.

FEES

No fees are believed to be necessitated by the foregoing Response. However, should this be erroneous, authorization is hereby given to charge Deposit Account No. 11-1153 for any underpayment, or credit any overages.

CONCLUSION

Applicants respectfully request entry of the foregoing amendments and remarks in the file history of the instant Application. The Claims as amended are believed to be in condition for allowance, and reconsideration and withdrawal of all of the outstanding rejections is therefore believed in order. Early and favorable action on the claims is earnestly solicited.

Respectfully submitted,
